

Dual Coding with Teachers

An interactive 'Zoom' workshop with Oliver Caviglioli

Thursday 10th December 2020

4:00pm – 6:00pm

Oliver Caviglioli

Oliver is a former special school head teacher turned Information Designer. Drawing on his architect father's home tuition when a child, and decades working with educational psychologists, Oliver visualises educational concepts and processes.

*Last summer, he published his book *Dual Coding With Teachers*. More recently, he has collaborated with Tom Sherrington in developing the *Teaching WalkThrus*—five-step guides to Instructional Coaching.*
